Fayette Fiscal Court Meeting Minutes 4/10/2025

Location: Office of the Fayette County Clerk, 162 E. Main Street, Lexington, Ky, and Remotely Via Zoom Platform Meeting Online, hosted by Fayette County Clerk.

Present: County Judge/Executive Mary Diane Hanna, ~~District 1 County Commissioner Brian Miller~~, District 2 County Commissioner Alayne White, District 3 County Commissioner David Lowe, Meredith Watson (Fayette County Clerk), Nancy Albright (LFUCG Dept. of Environmental Quality & Public Works), Andrew Grunwald (LFUCG Dept. of Environmental Quality & Public Works), Doug Burton (LFUCG Div. of Engineering), Rob Allen (LFUCG Div. of Streets and Roads), Scott Garthee (LFUCG Div. of Engineering), Mark Feibes (LFUCG Div. of Engineering), Scott Gabbard (LFUCG Div. of Engineering), District 12 Councilmember Hilary Boone, Olivia Lasheen Grigsby (LFUCG Council Office, District 12) Don Hill of 1676 Donelwal Drive, Taft McKinstry of 1957 Hillgate Drive

1:30 p.m.: Ms. Hanna called the meeting to order, welcomed everyone present, and everyone present to introduce themselves.

Ms. Hanna asked if everyone had reviewed the Minutes of the June 13 and 20, 2024, meetings. Mr. Lowe made a motion, seconded by Ms. White, to approve the Minutes of the June 13 and 20, 2024, Fiscal Court meetings. The motion was approved by unanimous vote of the commissioners present.

Review of the County Road Program for FY 2025. Mr. Grunwald reviewed the status of projects from the County Road Program for FY 2025.

Woodall Construction Company rebuilt shoulders in a section of Delong Road near Keshlyn Kennel. The work was done in October, 2024, and additional work needed was discovered during the project. The final bill from Woodall was \$81,797.10. The Div. of Streets and Roads did more work in December, 2024, to help stabilize the road shoulders.

LFUCG is working with the Kentucky Transportation Cabinet to conduct a Safety Audit on Delong Road. With that information, we can apply for Highway Safety improvement Program funds. LFUCG is holding back \$100,000 to match a grant if needed.

The project to repair and widen shoulders on Alexandria Drive is still in progress. LFUCG contracted with Banks Engineering for plans in November, 2024. The state is working on the junction of Leestown Road and New Circle Road, so it is likely that nothing will be done on Alexandria until that is complete.

One contractor submitted and won bids for the work on the Evans Mill and Elkchester culverts. There are more stability issues in those locations that will be addressed later. There is another culvert problem on Armstrong Mill for which LFUCG has gotten three bids, and selected the low bidder.

For the evaluations of Dry Branch Road and Grimes Mill, LFUCG has hired Banks Engineering, \$35,000. They have done field evaluations, and returned a draft report. Regarding some of the suggestions for Grimes Mill, the Div. of Engineering will gather feedback from local property owners. Banks has been instructed to move forward with preparing costs for work.

In October of 2024, LFUCG applied for County Priority Project funds for work needed on Berea Road. The state review gave Berea Road a ranking of 9, which was insufficient to qualify for CPP funding.

For the Maddox Lane project, the Div. of Engineering is developing plans and talking to approximately seven property owners who will be donating property. They are actively working with two other property owners to donate property for the road. The road is private at this time, and the property owners will not be required to bring the road up to standard prior to the public takeover. LFUCG will handle the modernization.

County paving projects from last year are underway. Uttinger Lane is complete, and the Div. of Engineering is looking at several other factors prior to completing Bowman Mill.

The significant rain storm at the beginning of April, 2025, caused a substantial failure on Jacks Creek Pike, half a mile from the end of the road. The Div. of Streets and Roads has done work to make it possible for homeowners to access their properties. No other cars and trucks are allowed through at this time. LFUCG has placed a dumpster at Raven Run. The exact cost of repairs is not known at this time.

Consideration of Resolution Approving the 2026 Rural Secondary Program for Fayette County (KYTC – District 7) Mr. Grunwald presented the KYTC Rural Secondary Program for Fayette County for 2026. The recommended projects are 3.865 miles of Military Pike, \$450,000, and with FLEX funds, 1.932 miles of Old Lemons Mill, \$195,000, and 0.535 miles of Spurr Road, \$60,000. All three locations have high daily traffic.

The Fiscal Court can consider other routes, but Mr. Grunwald stated the KYTC does a good job of identifying needed projects on state rural roads. Berea Road would not be eligible.

Ms. White made a motion, seconded by Mr. Lowe, to approve the resolution for the 2026 Rural Secondary Program for Fayette County (EXHIBIT A) as recommended by the Kentucky Transportation Cabinet. The motion was approved by unanimous vote of the commissioners present.

Discussion of New Projects for FY 2026 The Court opened the floor to recommendations for FY 2026.

Ms. McKinstry spoke about the condition of Evans Mill Road near her street, Hillgate. She requested assistance with repair of the road. She stated the Div. of Streets and Roads had been

out to fill some of the largest potholes, but that the work was already deteriorating. Kentucky American Water's facility is located at the end of the road, and the large trucks traveling back and forth cause additional wear and tear. Ms. Hanna also spoke about the condition of and safety issues with Evans Mill Road.

Mr. Hill invited Ms. Hanna to speak at a future meeting of his neighborhood association. He spoke about the condition of Berea Road, and requested work on the road. He submitted several photos (EXHIBIT B). Local homeowners have noticed that there are several points at which water crosses the road and makes conditions worse. He stated that approximately 2000 cars per day use the road, per a city counter.

Mr. Hill, Ms. Albright, Ms. Hanna, and Mr. Grunwald discussed funding sources for road repairs, including gas taxes and hybrid/EV taxes. They also discussed the cost and process for paving spots rather than the whole road. Ms. Grigsby stated she had confirmed with Mr. Allen that the Div. of Streets and Roads would be working on the pothole issues on Berea Road.

Ms. White inquired about progress at the Maddox Lane (Cadentown) project. Mr. Grunwald stated that construction plans are almost completed and that residents will be approached individually regarding land needed for the project. Issues of clear title will have to be addressed for some of the properties. He is not sure how long the property acquisition process will take. He does have electronic plans that he can make available at the Div. of Engineering. The files are too large to send by email.

Mr. Lowe requested that an agenda item for Public Comment be added to future meeting agendas. Ms. Watson and Mr. Grunwald will make sure it is added prior to Old Business.

There being no further meeting items, Ms. Hanna asked for a motion to adjourn.

Upon motion of Ms. White, seconded by Mr. Lowe, the meeting adjourned at 2:24 p.m. by unanimous vote of the members present.

Respectfully submitted,

Meredith Watson

133.020 County board of assessment appeals -- Membership -- Appointment -- Temporary panels -- Oath -- Training -- Replacement of member -- Conflict of interest.

- (1)
 - (a) The county board of assessment appeals shall be composed of reputable real property owners residing in the county at least five (5) years.
 - (b) The appointing authorities may appoint qualified property owners residing in adjacent counties when qualified members cannot be secured within the county.
 - (c)
 1. The board shall consist of three (3) members, one (1) to be appointed by the county judge/executive, one (1) to be appointed by the fiscal court, and one (1) to be appointed by the mayor of the city with the largest assessment using the county tax roll or appointed as otherwise provided by the comprehensive plan of an urban-county government.
 2. The mayor's appointment shall serve for four (4) years, the county judge/executive's appointment shall serve for three (3) years, and the fiscal court's appointment shall serve for two (2) years. Each person appointed thereafter shall serve for three (3) years.
 3. If no city in the county uses the county assessment, the county judge/executive shall appoint two (2) members.
 - (d) A board member who has served for a full term shall not be eligible for reappointment. However, he or she shall be eligible for appointment after a hiatus of three (3) years.
 - (e)
 1. If the number of appeals to the board of assessment appeals filed with the county clerk exceeds one hundred (100), temporary panels of the board may be appointed with approval of the department.
 2. Each temporary panel shall consist of three (3) members having the same qualifications and appointed in the same manner as the board members.
 3. The number of additional panels shall not exceed one (1) for each one hundred (100) appeals in excess of the first one hundred (100).
 4. The county judge/executive shall designate one (1) of the members of the board of assessment appeals to serve as chairman of the board.
 5. If additional panels are appointed, as provided in this paragraph, the chairman of the board of assessment appeals shall designate one (1) member of each additional panel as chairman of the panel.
 - (f)
 1. A majority of the board or of any panel may determine the action of the board or panel respectively and make decisions.
 2. Each panel of the board shall have the same powers and duties given the board by KRS 133.120, except the action of any panel shall be subject to review and final approval by the board.
- (2) Each member of the board shall have extensive knowledge of real estate values, preferably in real estate appraisal, sales, management, financing, or construction.

- (3) The board shall be subject to call by the county judge/executive at any time prescribed by law.
- (4) The members of the county board of assessment appeals, and any panel of the board, before undertaking their duties, shall take the following oath, to be administered by the county judge/executive or other person authorized by KRS 62.020 to administer official oaths: "You swear (affirm) that you will, to the best of your ability, discharge the duties required of you as a member of the county board of assessment appeals, and that you will fix at fair cash value all property assessments brought before you for review as prescribed by law."
- (5) The department shall prepare and furnish to each property valuation administrator guidelines and materials for an orientation and training program to be presented to the board by the property valuation administrator or his deputy each year.
- (6)
 - (a) A board member shall produce evidence of his qualifications upon request of the department.
 - (b) A board member shall be replaced by the appointing authority upon proof of the member's failure to meet the qualifications of the position.
 - (c) Any vacancy on the board shall be filled by the appointing authority that appointed the member to be replaced.
 - (d) The appointee shall have the qualifications required by statute for the board member appointed by the particular appointing authority and shall hold office only to the end of the unexpired term of the member replaced.
- (7) Members of the county board of assessment appeals, and any temporary panel, shall abstain from hearing or ruling on an appeal for any property in which they have any personal or private interests.
